RECEIVED-DOCKETING DIV  
2015 APR 24 AM 8:23

Dear Mr. Schumacher,

My name is Maryann Ossoff. My husband, Ted and I own Valley Golf Club located in Fairfield Township, Ohio. Our business is directly across the road from Buckeye Transfer Realty Co.

It has become public knowledge that the Norfolk Southern Railroad has filed a petition with the PUCO to have the Esterly Rd. railroad crossing closed.

Last April (2014) the Fairfield township Trustees voted NO to the closing in a 2 to 1 vote – citing severe safety concerns if the railroad and Buckeye Transfer Realty were permitted to close the crossing. As one of the Township Trustees stated after the vote: “you can not take 2 entrances and 2 exits – close down 1 entrance and 1 exit and funnel everything into one entrance and exit”.

Norfolk and Southern Railroad’s dialogue just discusses how “unimportant” this crossing is – but never seems to mention the intersection that all traffic will be forced to deal with. It is not suitable to accommodate the huge influx of truck traffic it will be handling. The closing would divert all traffic to a potentially very dangerous intersection, State Route 344 and Esterly Drive.

I am asking that you please take into consideration the safety of the citizens that use State Route 344. Enclosed are copies of 2 petitions that were circulated in the Fairfield Township area in the Spring of 2014. Many citizens of this area feel as passionate as we do about the potential safety hazard this closing will create.

Thank You,

  
Maryann Ossoff, Valley Golf Club
