Dear Sir:

As a citizen of the United States, a U.S. Army veteran, a small business owner, a Registered Professional Engineer, a voting constituent and an NRA member I strongly oppose any First Energy bailout. A bailout of old, polluting technology only benefits utility shareholders and delays inevitable investment in efficient and renewable energy. My family and I care about reducing toxic pollution.  
Case No.: 14-1297-EL-SSO

Sincerely,

*Wm Rowell*
