Re: *In the Matter of the Collection and Submission of Study Area Boundaries
of Incumbent Local Exchange Carriers to the Federal Communications
Commission*
PUCO Case No. 13-710-TP-UNC

Dear Ms. McNeal:

On May 8, 2015, in the above-referenced matter, Columbus Grove Telephone Company dba FairPoint Communications filed an affidavit authorizing the Commission to submit to the Federal Communications Commission (FCC) on its behalf, the required study area boundary information. Concurrent with the filing of the affidavit, the company filed a letter certifying that none of its ILEC study area boundary information has changed since the 2013 submission.

At this time, the company would request to withdraw the letter and affidavit as they prefer to file directly with the Federal Communications Commission.

Please contact me if you have any questions.

Respectfully submitted,

Kathy E. Hobbs
