To Whom it May Concern:

I, as a citizen of Ohio and inhabitant of this planet, care about toxic pollution and saving money on my electric bill. Regarding case number 14-097-EL-SSO, I am asking you to maintain pressure to stop FirstEnergy's bailout request. A bailout of old polluting technology only benefits utility shareholders and delays investment in efficient and renewable energy.

Thank you for considering my request.

Sincerely,

Debra DeGennaro
