2. The services in this tariff will be provided in accordance with Chapter 4901:1-3 of the Ohio Administrative Code.
3. Should any phrase, sentence, paragraph or section of this Rate Schedule be held to contravene any part of Chapter 4901:1-3, only that portion of this Rate Schedule which so contravenes the Rule, and not the entire Rate Schedule, shall be suspended until modified so as to comply with the requirements of Chapter 4901:1-3.

B. Restrictions on Access

1. Access to poles and conduit owned by the Company is restricted to Attaching Entities (as that term is defined in Ohio Revised Code Chapter 4901:1-3) in accordance with the provisions and definitions of Public Utilities Commission Chapter 4901:1-3.

C. Limitation on Liability

1. The Company reserves to itself the right to locate and maintain its poles and conduit to operate its facilities in conjunction therewith in such a manner as will best enable it to fulfill its own service requirements. 2. The Attaching Entity shall indemnify, save harmless and defend the Company from any and all claims and demands of whatever kind which arise directly or indirectly from the operations of the Attaching Entity's attachments, including, without limitation, taxes, special charges by others, claims and demands for damages or loss due to infringement of copyright, libel, slander, unauthorized use of television broadcast programs, or unauthorized use of other program material. The Attaching Entity shall also hold the Company harmless against all claims and demands for infringement of patents with respect to the manufacture, use and operation of the Attaching Entity's attachments to the Company's poles or occupied conduit.

E. Assurance of Payment and Insurance

1. The Attaching Entity shall provide to the Company a performance bond in the amount of \$15,000. The purpose of the bond is to insure the Attaching Entity's performance of all of its obligations and for the payment by the Attaching Entity of any claims, liens, taxes, liquidated damages, penalties and fees due to Company which arise by reason of the construction, operation, maintenance or removal of the Attaching Entity's facilities on or about Company's poles and conduits.
