RE: Case Number 14-1297-EL-SSO

Public Utilities Commission of Ohio
180 East Broad St
Columbus, OH 43215

May 19, 2015

To whom it may concern,

I am writing this letter to express my concern over the continued use of coal-fired power in Ohio. Please make every effort to reduce the pollution from coal-fired power plants, specifically by making investments in renewable energy. Do not raise my rates in order to bail out these utility companies that wish to keep polluting the air my children breathe.

Thank you for your time.

Sincerely,
Nick Brumm
