Subject: Blasting Plan for Review - 13-1752-EL-BGN
Attachments: Blasting Plan CCE R1.pdf

Good evening Jim. Please find attached the proposed blasting plan for the Carroll County Energy project. The primary contractor has not confirmed whether blasting will be necessary. However, to avoid any schedule delays, we are submitting this plan to Staff now for review. Please note that the complaint resolution process currently in place for the project will be used for the blasting (if it occurs).

I will send over hard copies on disc tomorrow.

Thanks,

Mike
