Re: In the Matter of Ohio Power's Application for an Increase in Electric Distribution Rates, Case Nos. 11-351-EL-AIR, 11-352-EL-AIR and 89-6007-EL-TRF

Examiner Price:

The Commission has ordered the continuation of the Residential Distribution Credit established in this case on December 14, 2011. The Commission authorized the continuation of this credit rider in its February 25, 2015 Order in Case No. 13-2385-EL-SSO.

The Company provides the attached tariffs for Commission approval to extend the life of this distribution credit for residential customers. The attached riders indicate that the rider will now expire on May 31, 2018.

Please also see that docketing files the attached tariffs updating this rider's expiration date in the 89-6007-EL-TRF.

Please notify me if any further action is required or with any questions.

Cordially,

/s/ Matthew J. Satterwhite
