to Provide Competitive Retail Electric)	
Service in Ohio)	

MOTION FOR EXTENSION

Pursuant to Rule 4901:1-24-04 of the Ohio Administrative Code, Navigate Power, LLC seeks an extension of Certificate No. 13-699E(1) which was issued in Case No. 13-1176-EL-AGG. The expiration date of Certificate No. 13-699E(1) was June 10, 2015. Due to an internal miscommunication, Navigate Power was not able to file its renewal application prior to the expiration date of its certificate. Navigate Power submits that it will file a new application prior to August 9, 2015, which is within sixty (60) days of the June 10, 2015 expiration date. Navigate Power respectfully requests that Certificate No. 13-699E(1) be automatically extended from June 10, 2015 until August 9, 2015 or until the date that the new certificate is issued.

Rule 4901:1-24-04 provides that a motion requesting an extension of a certificate will be deemed automatically approved (unless ruled otherwise by the Commission or an Attorney Examiner within three business days) if a new application is filed within sixty (60) days after the expiration date of the certificate. Navigate Power submits that it has met the criteria and respectfully requests an automatic extension of the expiration date of Certificate No. 13-699E(1) to August 9, 2015 or until such time as a new certificate is issued so as not to interrupt service to customers.

WHEREFORE, Navigate Power, LLC respectfully requests that the Commission extend the expiration date of Certificate No. 13-699E(1) from June 10, 2015 until August 9, 2015 or until the date that the new certificate is issued, and authorize it to continue to operate during the pendency of the renewal application certification review, so that there will be no interruption in service to its customers.
