Re RECEIVED No. 14-1297 EL 220

Att. Public Utilities Commission
2015 AUG 11 PM 1:44

of Ohio
180 East Broad Street
Columbus, OH 43215

To Whom It May Concern,

I recall some years
ago a TV program
highlighting poor air
conditions requiring
children to use a
breathing device
treatment each day.

Financing inefficient coal
plants, by law, for company
profits rather than the improve-
ment of the quality of
living conditions is politically
inextinguishable in a Democracy.
