RE: Statement of Issues
Lake Avenue Substation Project
Case No. 14-2162-EL-BSB

Dear Ms. McNeal:

Pursuant Entry issued on June 15, 2015, this letter will serve as notice that Applicant American Transmission Systems, Incorporated ("ATSI"), a FirstEnergy company, has not identified any issues for which it may need to seek cross-examination of witnesses at the adjudicatory hearing.

Additionally, Applicant and the Staff at the Ohio Power Siting Board have had a preliminary discussion related to the proposed conditions in the Staff Report, and Applicant anticipates that any concerns it may have with those conditions will be resolved prior to the adjudicatory hearing.

Consequently, Applicant does not anticipate at this time a need to call any witnesses upon cross-examination.

However, as Applicant and Staff have not reached final agreement concerning the conditions on a Certificate, Applicant reserves the right to seek cross-examination related to the proposed conditions, as well as on any issues that arise between today and the date of the adjudicatory hearing on August 26, 2015.

Respectively,

Robert J. Schmidt, Jr.
Counsel for Applicant
American Transmission Systems, Incorporated
