Re: NTE Ohio, LLC, OPSB Case No. 14-534-EL-BGN

Dear Ms. McNeal:

In compliance with the November 24, 2014, Opinion, Order, and Certificate ("Certificate") approving NTE Ohio, LLC ("NTE") Certificate of Environmental Compatibility and Public Need to Construct the Middletown Energy Center, NTE filed its Complaint Resolution Plan on March 11, 2015 wherein it stated that NTE would establish a toll-free telephone number prior to the construction of the generating facility.

This letter confirms that the toll-free telephone number, 1-844-859-5948, has been established. The telephone number has been provided to the Butler County Commissioners, the City of Middletown, and all emergency responders within the project area. Thus, NTE is in compliance with the Board's directive set forth on page 8 of the Certificate.

If you have any questions please call at the number listed above.

Sincerely,

Sally W. Bloomfield
