Staff Letter

As part of an application to increase rates under Ohio Administrative Code (Ohio Adm.Code) 4901-7, Appendix A, Chapter II (B)(9), the applicant company must include an executive summary of its management policies, practices and organization employed to meet the corporate goals determined by the board of directors and corporate officers. In addition to this summary, the company must also address Staff-identified functional areas of management policies or practices. Staff must file a letter, within ten days of the pre-filing notice, setting forth the functional areas that the utility must address.

Staff hereby selects the functional areas that The Dayton Power and Light Company (Dayton Power and Light) must include in the application to be filed in the above-referenced case. Dayton Power and Light shall provide the Standard Filing Requirements (SFR) information relating to corporate plans and planning for major systems, (development, integration, and retirement) pursuant to Ohio Adm.Code 4901-7, Chapter II, Appendix A, (B)(9)(f), as well as provide information related specifically to the planning assessment of the ability of existing billing system(s) and/or customer information system(s) to accommodate meter information from AMI/smart meter deployment and customer energy usage data to competitive electric supply providers, pursuant to Ohio Adm.Code 4901-7, Chapter II, Appendix A, (B)(9)(f) (ii) and (iii).
