Re: Great news – Troy’s Aggregation Program is now supplied by FirstEnergy Solutions and offers even greater savings!

Dear Resident,

Your community’s aggregation program provides you the opportunity to save money on your electric bill. These savings are possible through governmental aggregation, a community purchasing program where community officials bring together citizens to gain group buying power for the purchase of electricity from a retail electric generation provider certified by the Public Utilities Commission of Ohio.

FirstEnergy Solutions, a subsidiary of FirstEnergy Corp., has been selected to provide you with savings on your electric generation. If you’re not already participating, this is your chance to join. If you’re already participating, this is your opportunity to extend your savings. **There is no cost for enrollment, you will not be charged a switching fee, and you do not need to do anything to participate.** Please see the enclosed FAQs for more information.

By participating in this aggregation program, you will receive exclusive low pricing on your electric generation. The chart below shows the details of this program:

The **City of Troy** program was approved by voters in your community in November 2011.

Your Electric Utility	Price	Term End Date	Opt Out Deadline	Early Termination Fee
Dayton Power & Light	5.26¢/kwh	April 2017	December 22, 2015	\$0

If you are a new member of the program, you will see your electric savings from FirstEnergy Solutions after your enrollment has been completed and your switch has been finalized – approximately 30-45 days, depending upon your meter read date. Of course, you are not obligated to participate in the community’s electric governmental aggregation program. If you do not want to participate in this savings program, you have until the opt out deadline to return the attached “opt-out” form. If you do not opt out at this time and leave the program at a later date, you might not be served under the same rates, terms and conditions that apply to other customers served by your utility. If you leave the program at any other time, you could be subject to the early termination fee listed above from FirstEnergy Solutions.

Your electric utility will send you a letter confirming your selection of FirstEnergy Solutions as your electric generation provider. As required by law, this letter will inform you of your option to cancel your contract with FirstEnergy Solutions within seven days of its postmark. To remain a member of the community’s electric governmental aggregation program, you don’t need to take any action when this letter arrives. If you are currently enrolled in the community’s aggregation program, you will not receive a letter from your electric utility.

Your electric utility will continue to maintain the system that delivers power to your home – no new poles or wires will be built by FirstEnergy Solutions. You will continue to receive a single, easy-to-read bill from your local electric utility with your FirstEnergy Solutions charges included. The only thing you’ll notice is savings.

If you are on a DP&L budget billing plan, you will continue to receive that service. Future requests for budget billing from customers not currently on such a program may be considered by FirstEnergy Solutions.

If you have any questions, please call FirstEnergy Solutions toll-free at 1-866-636-3749, Monday through Friday, 8 a.m. to 5 p.m. Please do not call your community with aggregation program questions.

Sincerely,

City of Troy

P.S. To receive these savings, **you should not respond**. Return the opt-out form only if you do not want to participate in your community’s electric governmental aggregation program.

Electric Governmental Aggregation Program Frequently Asked Questions Residential Program

What is aggregation?

Under governmental aggregation, local officials bring citizens together to gain group buying power for the purchase of competitively priced electricity from a retail electric generation supplier certified by the Public Utilities Commission of Ohio.

How is my community able to choose a certified electric generation supplier on my behalf?

Residents voted to allow the community to contract for an electric generation supplier on their behalf.

How will I know if I can save money under the electric governmental aggregation program?

You'll know you are saving money as long as your fixed price with FirstEnergy Solutions is lower than your Price to Compare.

What do I need to do if I *want* to be included in this governmental aggregation?

You do not need to do anything to receive the fixed price offered under this program. You may choose to remain in the aggregation group and begin receiving your discount by simply not returning the opt-out form.

If I join my community's governmental aggregation program, who will deliver my power, read my meter and respond to emergencies, such as power outages?

Your electric utility will be responsible for the delivery of power to your home or business. Since your electric utility still owns the wires and poles that deliver power to you, it will continue to read your meter and restore power after an outage.

Is your price for residential power fixed, or does it vary?

In this program, the price you will receive each month does not change – it is a fixed price.

If I am already a member of this program, why am I receiving this letter?

Your previous contract with AEP Retail Energy is coming to an end. Your community's electric governmental aggregation program is now served by FirstEnergy Solutions, and this is your opportunity to continue saving money on your electric bill through the community's program or opt out.

What does "opt out" mean?

"Opt out" means that you can decide not to participate in your community's electric governmental aggregation program. By returning the opt-out form, which is included in this mailing, by the Opt Out Deadline you will not be enrolled as an electric generation customer with FirstEnergy Solutions, your community's competitive electric generation supplier, and you will not receive the discount.

What happens if I do not send in the opt-out form?

If you do not return the opt-out form postmarked by the Opt Out Deadline, you will be included in your community's governmental aggregation program and will receive competitively priced electricity from FirstEnergy Solutions.

Can I opt out over the phone?

No, if you want to opt out, you must mail in your completed opt-out form and it must be postmarked by the Opt Out Deadline.

Can I opt out of the program at a later date?

Yes, you may leave the program at any time without a fee.

What are my energy supply choices if I decide to opt out?

You can stay with your current electric utility, which will continue to supply your electric generation as it always has, or you can shop for an alternative generation supplier. A list of competitive electric suppliers certified by the Public Utilities Commission of Ohio and their current prices are available by calling 1-800-686-PUCO (1-800-686-7826).

If I join the aggregation, can I stay on budget billing?

Yes, you can remain on budget billing. By joining the aggregation program, your supplier charges will automatically be budgeted along with your utility charges.

Can I still have my payment automatically deducted from my checking account as I do now?

Yes. How you pay your electric bill will not change.

You will have the right to rescind your enrollment within seven (7) calendar days following the postmark date of the confirmation letter by following the instructions contained in the letter. The Right of Rescission only applies when a customer switches to a generation supplier and not on renewal enrollments. Your EDU will not send a confirmation notice upon any renewal of this Agreement. Should you choose to opt-out of your community's program, you will be served by your EDU's standard service offer established pursuant to section 4928.14 of the Ohio Revised Code unless you choose an alternate supplier of electricity.

TERMS AND CONDITIONS OF SERVICE

1. **Eligibility.** Only residential customer accounts not enrolled in the Percentage of Income Plan Program (PIPP) and small commercial customers with a peak demand below 100 KW are eligible for this offer from FES. FES reserves the right to refuse enrollment to any customer with an outstanding electric bill balance.
2. **Basic Service Prices.** During the term of this Agreement, you agree to pay FES for a total combined bypassable transmission, generation, and transmission and generation related charges. You will be billed at 5.26¢ per KWh per billing month. FES reserves the right to unilaterally modify this billing format in the event the EDU is unable or unwilling to provide consolidated billing in this format or changes the calculation of the Price to Compare ("PTC"). Your PTC consists of bypassable transmission, generation and transmission and generation related components, which are charges associated with the costs of purchased power

and the cost to deliver the power through the transmission system. These are the charges that you would avoid for that billing period when you switch to FES. In addition to the charges described above, if any regional transmission organization or similar entity, EDU, governmental entity or agency, NERC and other industry reliability organization, or court requires a change to the terms of the Agreement, or imposes upon FES new or additional charges or requirements, or a change in the method or procedure for determining charges or requirements, relating to your electric supply under this Agreement (any of the foregoing, a "Pass-Through Event"), which are not otherwise reimbursed to FES, Customer agrees that FES may pass through the additional cost to FES of such Pass-Through Event, which may be variable, to Customer. Changes may include, without limitation, transmission or capacity requirements, new or modified charges or shopping credits, and other changes to retail electric customer access programs.

3. **Length of Agreement.** As a part of your community's program, your service from FES will commence with the next available meter reading and after processing of the enrollment by your EDU, and will continue through April 2017, ending on the meter read for the last month of service. The program may be terminated prior to the term or modified due to unforeseen regulatory action, or pursuant to the terms of the master agreement between FES and your community for the aggregation program. Customer and FES agree that any such regulatory action is a force majeure event. Should the program be terminated, you will be returned to your EDU's standard service offer or its successor.
4. **Billing.** You will continue to receive a single bill from your EDU that will contain both your EDU and FES charges. If you do not pay your bill by the due date, FES may cancel this Agreement after giving you a minimum of fourteen (14) days written notice. Upon cancellation you will be returned to your EDU as a customer. You will remain responsible to pay FES for any electricity used before this Agreement is cancelled, as well as any late payment charges. If you have 12 months of billing history and you are enrolled in budget billing with the EDU, you can enroll in a budget billing program once per year. At the end of the contract term, you are responsible for payment of any outstanding balance upon final contract true up. FES reserves the right to adjust your monthly budget amount prior to final contract true up. If you enroll in budget billing, then choose not to be in the program or if you become two consecutive monthly payments overdue, you will be removed from budget billing, your account will be reconciled, and you will be billed for the outstanding budget balance on your next billing cycle.
5. **Penalties, Fees and Exceptions.** If you do not pay the full amount owed FES by the due date of the bill, FES may charge a 1.5% per month late payment fee.
6. **Cancellation/Termination Provisions.** If this Agreement is not rescinded during the rescission period, enrollment will be sent to your EDU. Customers may terminate this Agreement at any time without a penalty. Upon termination with FES and return to standard offer service with your EDU, you may not be served under the same rates, terms, and conditions that apply to other EDU customers.

7. **Customer Consent and Information Release Authorization.** By choosing not to opt-out of your community's aggregation program, or to affirmatively join it, you understand and agree to the terms and conditions of this Agreement with FES. You authorize FES to obtain information from the EDU that includes, but is not limited to: billing history, payment history, historical and future electricity usage, meter readings, and characteristics of electricity service. FES reserves the sole right to determine if your credit standing is satisfactory before accepting your enrollment request. This Agreement shall be considered executed by FES following acceptance of your enrollment request by FES, the end of the 7 day rescission period and subsequent acceptance of the enrollment by your EDU.
8. **Contract Expiration.** At least every three years, you will be given the opportunity to opt-out of your community's aggregation program at no cost. You are responsible for arranging for your electric supply upon termination of this Agreement.
9. **Dispute Procedures.** Contact FES with any questions concerning the terms of service by phone at 1-888-254-6359 (toll-free) M-F 8AM – 5PM EST or in writing at 341 White Pond Drive, Attn: Contract Administration, Akron, OH 44320.
