the Oregon Lateral Pipeline

Dear Mr. Zeto:

As you are aware, North Coast Gas Transmission LLC is constructing the Oregon Lateral Pipeline approved in Case No. 14-1754-GA-BLN. North Coast recently held a preconstruction conference on November 20, 2015 for Phase I construction of the pipeline. In addition, North Coast has satisfied the conditions listed in the December 29, 2014 Staff Report, as revised by the January 5, 2015 revisions by Staff, that are necessary for the commencement of Phase I construction. North Coast anticipates commencing Phase I pipeline construction on or around Friday, November 27, 2015.

By copy to Ms. Barcy McNeal, a copy of this correspondence will be filed on the docket in the above-referenced proceedings. Please call me or Lee Lochtefeld if you have any questions regarding this correspondence.

Very truly yours,
