

**BEFORE
THE PUBLIC UTILITIES COMMISSION OF OHIO**

In the Matter of Christopher M.)	Case No. 15-1683-TR-CVF
Angelo, Notice of Apparent Violation)	(OH3293007838D)
and Intent to Assess Forfeiture.)	

SETTLEMENT AGREEMENT

I. Introduction

Pursuant to Rule 4901:2-7-11 of the Ohio Administrative Code (O.A.C.), Christopher M. Angelo (Respondent) and the Staff of the Transportation Department of the Public Utilities Commission of Ohio (Staff) enter into this agreement to resolve all issues in the above captioned case.

It is understood by the Respondent and the Staff that this Settlement Agreement is not binding upon the Public Utilities Commission of Ohio (Commission). This agreement, however, is based on the parties' desire to arrive at a reasonable result considering the law, facts, and circumstances. Accordingly, the Respondent and the Staff encourage and recommend that the Commission adopt this Settlement Agreement.

This Settlement Agreement is submitted on the condition that the Commission adopts the agreed upon terms. In the event the Commission rejects any part of the Settlement Agreement, or adds to, or otherwise materially modifies its terms, each party shall have the right, within thirty days of the date of the Commission's entry or order, to file an application for rehearing that includes a request to terminate and withdraw from the

Settlement Agreement. Upon the application for rehearing and request to terminate and withdraw from the Settlement Agreement being granted by the Commission, the Settlement Agreement shall immediately become null and void. In such event, the parties shall proceed to a hearing as if this Settlement Agreement had never been executed.

II. History

- A. On July 1, 2015, a commercial motor vehicle operated by Danbert Contractors and driven by the Respondent was inspected within the State of Ohio.
- B. As a result of the inspection, the Respondent was timely served with a notice of preliminary determination in accordance with 4901:2-7-12, O.A.C.
- C. The notice of preliminary determination notified Respondent that the Commission intended to assess a forfeiture of \$250.00 against the Respondent for an alleged violation of 49 C.F.R. 383.23(a)(2) (operating a CMV without a CDL).
- D. The Respondent requested an administrative hearing pursuant to 4901:2-7-13, O.A.C.
- E. The parties have negotiated this Settlement Agreement, which the parties believe resolves all of the issues raised in the notice of preliminary determination.

III. Settlement Agreement

The Staff and the Respondent agree and recommend that the Commission find as follows:

- A. For purposes of settlement only, and not as an admission that the violation occurred as alleged, the Respondent agrees to pay the assessed \$250.00 civil forfeiture and agrees that the alleged violation may be included in Respondent's history of violations, insofar as it may be relevant for purposes of determining future penalty actions.
- B. Respondent shall pay the \$250.00 civil forfeiture within thirty (30) days after the Commission's order approving this Settlement Agreement. The payment shall be made payable to "Treasurer State of Ohio," and shall be mailed to Public Utilities Commission of Ohio, Attn: CF Processing, 180 E. Broad St., 4th floor, Columbus, OH 43215-3793. The case number (OH3293007838D) should appear on the face of the payment.
- C. This Settlement Agreement shall not become effective until adopted by the Commission. The date of the entry or order of the Commission adopting this Settlement Agreement shall be considered the effective date of the Settlement Agreement. This Settlement Agreement is intended to resolve only factual or legal issues raised in this case. It is not intended to have any effect whatsoever in any other case or proceeding.

IV. Conclusion

The undersigned respectfully request that the Commission adopt the agreement in its entirety. The parties have manifested their consent and authority to enter into the Settlement Agreement by affixing their signatures below.
