With more than 25 years of combined wholesale, retail, and supply side energy experience, Unified Energy Group is a national leader in power purchasing and negotiations. Specializing in price discovery and timely market assessments, Unified Energy simplifies the purchase and management of electricity.

Our retail, wholesale, and supplier experience uniquely shows how Unified Energy has unified the services essential to helping businesses navigate complex energy markets and buy energy more cost effectively. We use our procurement experience as well as our demand side/conservation capabilities to develop a holistic energy management program for you that is second to none. Our staff's experience includes working for companies including Constellation Energy, Wisconsin Public Service, Integrys Energy Service, Gulf States Energy, Choice Energy Services, among other retail energy providers and consultants.

Generally speaking, Unified Energy creates a market for its customers among retail energy suppliers interested in their electricity load. We provide insight to customers on contract specifics including: 1) contract disclosure* of terms and conditions; 2) service termination provisions; 3) disconnection and service termination requirements of selected retail energy provider; 4) minimum service quality and assurance of retail energy provider credit worthiness and status within the state; 5) generation resource mix for electricity provided and; 6) customer information including load profile usage and historical usage used to provide a fair and competitive price for electricity.
