**RE: Oho Power Company
PUCO Case Nos. 14-1693-EL-RDR and
14-1694-EL-AAM**

Dear Attorney Examiners:

On December 16, 2015, the Environmental Law & Policy Center and several other parties ("Joint Movants") filed their Joint Motion for an Extension of the Attorney Examiner's Procedural Schedule. On December 18, 2015, Ohio Power Company ("AEP Ohio" or "the Company") filed its Memorandum Contra opposing that motion. Shortly after AEP Ohio filed its Memorandum Contra on December 18, the Ohio Manufacturers' Association Energy Group ("OMAEG") filed a letter in this docket supporting the motion.

AEP Ohio opposes OMAEG's arguments for extending the procedural schedule for the same reasons the Company provided in its Memorandum Contra. The Company will not repeat those arguments in this correspondence, but simply refers the Commission and its Attorney Examiners to the Memorandum Contra. However, the Company does note, with regard to the burden that OMAEG's attorney contends it faces, that on December 17, 2015, OMAEG notified the Commission and the parties of at least the third attorney, by our count, that has entered an appearance on OMAEG's behalf in this proceeding.

Respectfully submitted,

/s/ Daniel R. Conway
