To whom it may concern:

I am requesting that you reject case 14-1297 First Energy settlement. This \$3.1 Billion bailout should not be at the cost of the home owners over an eight year period. Average cost to each home owner would ~\$1,008.00 which in not fare to us.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.
