PRE-APPLICATION NOTIFICATION LETTER
Delta-Wauseon 138 kV Transmission Line
Tap to Nature Fresh Farms Project
Case No. 15-2081-EL-BLN

Dear Ms. McNeal:

In accordance with Ohio Administrative Code ("OAC") Rule 4906-6-03(A) and OAC Chapter 4906-6 generally, this letter will serve as the pre-application notice letter of applicants American Transmission Systems, Incorporated ("ATSI") and Toledo Edison Company ("TE"), FirstEnergy companies, for the above referenced Project. Applicants expect to file a Letter of Notification Application with the Ohio Porter Siting Board for this Project shortly.

In this Project, ATSI and TE are proposing to construct a new 4,435 feet (0.84 mile) long transmission tap line from the existing Delta-Wauseon 138 kV Transmission Line to the proposed Nature Fresh Farms Substation. The Project will also replace three (3) existing structures along the existing Delta-Wauseon 138 kV Transmission Line. The Project will be located in York Township and the Village of Delta, Fulton County, Ohio.

The construction schedule for this Project will be described in the Letter of Notification and is expected to begin as early as approximately 28 days after submittal of the Letter of Notification and no sooner than February 1, 2016 and completed by September 1, 2016.

Please be advised that pursuant to Ohio Administrative Code 4906-6-04, ATSI and TE are requesting an expedited review of this Project.

Sincerely,

William R. Beutler

William R. Beutler
Engineer II
Energy Delivery Transmission and Substation Design
FirstEnergy Service Company
