Regarding: My letter 12-29-15

Dear Commissioners!

Recently, I sent you a letter concerning your bailout proposal for First Energy. I've been waiting and looking forward to your reply.

Hawaiian Electric Co. CEO described her Co. as a "snack" for NextEra, the energy conglomerate on it's way to a "buffet luncheon to acquire other regulated utilities."

Another strategy for turning such companies finances around is:

Finding creative new ways to stick ratepayers with the costs of obsolete generating technologies, as

First Energy and AEP are currently seeking to do.

How?

With their proposed ratepayer-funded bailouts in Ohio!

NO, DO NOT BAIL THEM OUT!

My phone: 330-654-0895

Sincerely

Ruby J. Dances
