Re: In the Matter of the Application of Duke Energy Ohio, Inc. for Approval of an Interconnection Service, Case No. 15-1669-EL-ATA

Dear Ms. McNeal:

Pursuant to a Finding and Order in Case No. 12-2051-EL-ORD, Duke Energy Ohio, Inc., (Duke Energy Ohio) submitted an application for approval of an Interconnection Service that complied with then recently enacted Rules in Chapter 4901:1-22, O.A.C.

After submitting the filing, Duke Energy Ohio has worked with Staff on several matters related to the filing and now offers an amended filing for review and approval by the Public Utilities Commission of Ohio.

This amended filing differs from the original in the following respects:

This revised tariff sheet is identical to the tariff sheet that the Company filed on September 24, 2015 in Case No. 15-1669-EL-ATA, except that the sheet number was corrected to Sheet No. 49.5.

The Company has now included additional language in the Company's internal technical document clarifying to customers that all DG interconnection requirements are subject to the interconnection tariff and the Rules contained in Chapter 4901:1-22, O.A.C. The Company will provide a link or reference in the technical document that points customers to the current interconnection tariff.

Should you have any questions please feel free to contact me.

Respectfully submitted,

Elizabeth H. Watts
Associate General Counsel
