Dear Chairman Porter,

AEP and FirstEnergy are trying to hijack Ohioans' electric bills and demand billions of dollars in ransom from Ohio consumers to prop up their old power plants that they claim are losing money. I shouldn't have to pay extra charges to subsidize utility companies when I get no benefit in return.

Please protect hard-working Ohioans, seniors on fixed incomes, and small business owners from ridiculous and totally unnecessary rate hikes. Please tell the PUCO to put a stop to this corporate welfare.

PUCO Case #s: 14-1297-EL-SSO; 14-1693; 14-1694

I am a Indiana resident but, work at a Ohio power plant. Not only will this raise prices for Ohioans, but could also affect mine and other power plant employees job futures.

Sincerely,

Jason Walcott
