Gas Meter Information

Actual Reading We have read the meter. You're
required to provide us access to read the meter at
least once a year or risk shut-off. Please contact
us to make arrangements if access is required.

Estimated Reading If we are unable to obtain an
actual reading, we accurately estimate your

billing period. We verify the reading the next time
we read the meter to make sure you pay only for
the energy you've used.

Gas Usage We measure your gas usage in Ccf
equal to 100 cubic feet.

How to Read the Meter When a pointer is
between two numbers on a dial-type meter, read the
smaller number except when the pointer is
between 9 and 0. Record the reading on the dials

us to make arrangements if access is required.

actual reading, we accurately estimate your
reading based on the history of usage at the
service address and normal temperatures for the
billing period. We verify the reading the next time
we read the meter to make sure you pay only for
the energy you've used.

Gas Usage We measure your gas usage in Ccf
equal to 100 cubic feet.

How to Read the Meter When a pointer is
between two numbers on a dial-type meter, read
the smaller number except when the pointer is
between 9 and 0. Record the reading on the dials

Gas Meter Information

Actual Reading We have read the meter. You're
required to provide us access to read the meter at
least once a year or risk shut-off. Please contact
us to make arrangements if access is required.

Estimated Reading During the months we don't
read the meter, we accurately estimate your
reading based on the history of usage at the

we read the meter to make sure you pay only for
the energy you've used.

Gas Usage We measure your gas usage in Ccf
equal to 100 cubic feet.

How to Read the Meter When a pointer is
between two numbers on a dial-type meter, read
the smaller number except when the pointer is
between 9 and 0. Record the reading on the dials
