COMMENT DESCRIPTION:

The increase proposed by PUCO with no input from citizens is abhorrent. We cannot afford your \$1000 increase, nor should we have to pay. Please do not proceed with your headlong rush to increase our fees.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.

COMMENT DESCRIPTION:

Re: 14-1297-EL-SSO and 14-1693-EL-SSO Dear PUCO members, Please deny the rate increase that will lock us consumers into buying power from Ohio's oldest, dirtiest coal plants. Please do not favor the profits of utility shareholders to a just decision for the public. Please prefer the health of our citizens, our climate, and our earth, all already in great danger from increasing fossil fuel emissions. Please say NO to an "indefinite freeze" of our clean energy standards-- standards that must be protected and increased, not stifled.
