Exhibit A-10 Corporate Structure

Daybreak Energy LLC is a Limited Liability Company, 100% owned by Thomas McCune. There are no affiliated or subsidiary companies that supply natural gas to customers.

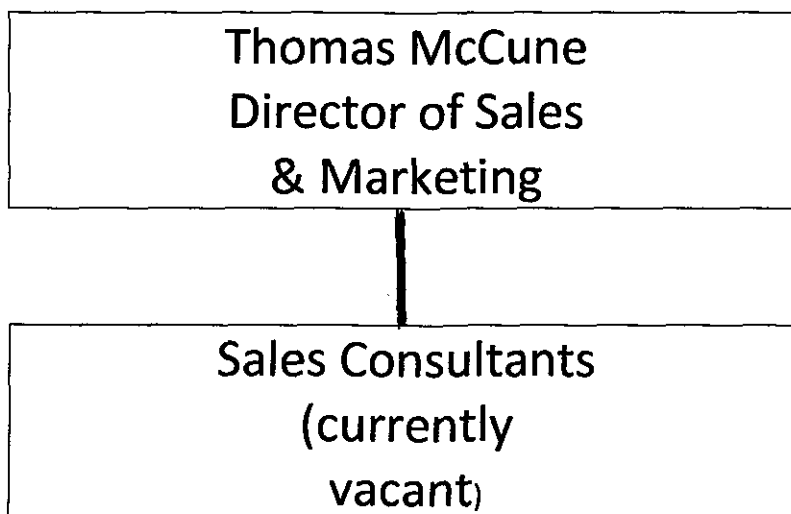

Exhibit B-1 Jurisdiction of Operation

Daybreak Energy LLC offers natural gas and electricity brokering/sales in the state of Ohio only.

Exhibit B-2 Experience & Plans

Thomas McCune, owner of Daybreak Energy LLC began working in Ohio's deregulated natural gas market in January of 2006. For a span of more than 8 years Mr. McCune worked as an account representative for 3 major energy marketers. In 2009 Mr. McCune began to also sell electricity. During that time, Mr. McCune established a presence in the marketplace and developed more than 150 relationships with small business, commercial and industrial customers.

Since starting Daybreak Energy LLC, Mr. McCune has successfully leveraged his existing relationships and extensive knowledge of the territory to provide energy expertise and brokerage services from natural gas and electricity suppliers to the business community. As Daybreak Energy grows through referrals and sales efforts, sales agents may be added as needed. Daybreak Energy does not take title to the natural gas or electricity, but simply provides energy consulting and brokering services. All contracts signed by the customer are from the certified supplier directly and not Daybreak Energy LLC. All contracted services and billing are provided by the natural gas or electricity supplier. Daybreak Energy does, however, maintain an office and toll free phone line to respond to customer inquiries, concerns or complaints, in conjunction with the certified supplier with whom the customer has contracted for natural gas service.
