CASE_NUMBER: 16-253-GA-BTX
COMMENTS: Hello,

I am concerned about a possible 30" natural gas pipeline route going through my property. It is on the I-71 possible route.

We have large, mature trees, new landscaping, and an organic garden near the side street (Rosemary Ln.), which could be damaged. We're also concerned about what this may do to our property value, having a pipeline through or adjacent to the property.

Thank you for your time,

Ryan Browning
