- b. Supply portfolio projection

Rushmore does not own any generation assets that can be utilized for Ohio compliance. Rushmore intends to purchase both Solar and Non-Solar RECs from generators who have been certified as renewable from PUCO, have joined an approved REC registry and will transfer RECs from the generator's account to the Rushmore account.

- c. Methodology used to evaluate compliance

Rushmore has used internal forecasting methods to forecast our retail sales over the next ten years, and multiplied the annual sales by the then-current Ohio Alternative Energy Portfolio Standards percentage.

- d. Comments on any perceived impediment(s) to achieving compliance with the Solar and Non-Solar REC requirements, as well as any discussion addressing such impediments.

Rushmore does not have any comments at this time.
