b. Supply portfolio projection

TriEagle does not own any generation assets that can be utilized for Ohio compliance. TriEagle intends to purchase both Solar and Non-Solar RECs from generators who have been certified as renewable from PUCO, have joined an approved REC registry and will transfer RECs from the generator's account to the TriEagle account.

c. Methodology used to evaluate compliance

TriEagle has used internal forecasting methods to forecast our retail sales over the next ten years, and multiplied the annual sales by the then-current Ohio Alternative Energy Portfolio Standards percentage.

d. Comments on any perceived impediment(s) to achieving compliance with the Solar and Non-Solar REC requirements, as well as any discussion addressing such impediments.

TriEagle does not have any comments at this time.
