

BEFORE

THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Application of)
The Dayton Power and Light Company to) Case No. 16-571-EL-RDR
Update its Economic Development Rider.)

FINDING AND ORDER

The Commission finds:

- (1) The Dayton Power and Light Company (DP&L) is a public utility as defined in R.C. 4905.02, and an electric distribution utility as defined in R.C. 4928.01(A)(6), and, as such, is subject to the jurisdiction of this Commission.
- (2) On March 17, 2016, DP&L filed an application to update its Economic Development Rider (EDR), pursuant to R.C. 4905.31(E) and Ohio Adm.Code 4901:1-38-08. In its application, DP&L seeks recovery of costs resulting from Commission approved reasonable arrangements with Caterpillar, Inc. and Wright-Patterson Air Force Base. *In re The Dayton Power and Light Co.*, Case No. 10-734-EL-AEC, Opinion and Order (April 5, 2011); *In re The Dayton Power and Light Co.*, Case No. 14-1217-EL-AEC, Opinion and Order (Dec. 11, 2013). DP&L requests that the updated rates be made effective on a bills-rendered basis by the first billing cycle in May 2016. The proposed tariffs reflect the following rate increase for residential customers:

Customer Class	Current Rate	Proposed Rate	Proposed Increase
Residential	\$0.0004480 per kWh	\$0.0005980 per kWh	\$0.00015 per kWh
Residential (1,000 kWh)	\$0.45 per bill	\$0.60 per bill	\$0.15 per bill

- (3) On April 4, 2016, Staff filed its Staff Review and Recommendations in regard to the application of DP&L to update its EDR. Staff found that the proposed EDR charges reflect the current and projected costs resulting from the reasonable arrangements approved by the Commission. Staff further found that the proposed charges are expected to

provide recovery of \$2,153,488 in costs over the next six months, which results in an increase to current rates beginning in May 2016. The proposed rates include projected costs of \$2,051,202 and \$102,285 of under-recovered costs. Staff recommends that the Commission approve DP&L's application to update its EDR.

- (4) The Commission finds that DP&L's application to update its EDR is consistent with R.C. 4905.31(E), and Ohio Adm.Code 4901:1-38-08, does not appear to be unjust or unreasonable, and should be accepted. Additionally, the Commission finds that it is unnecessary to hold a hearing in this matter. The Commission finds that DP&L's updated EDR should become effective on a bills-rendered basis on May 1, 2016.

It is, therefore,

ORDERED, That DP&L's application to update its EDR be accepted, in accordance with Finding (4). It is, further,

ORDERED, That DP&L is authorized to file tariffs, in final form, consistent with this Finding and Order. DP&L shall file one copy in this case docket and one copy in its TRF docket. It is, further,

ORDERED, That the effective date of the new tariffs shall be a date not earlier than the date upon which the final tariff pages are filed with the Commission. It is, further,

ORDERED, That DP&L notify all customers regarding the new tariff via a bill message or bill insert within 30 days of the effective date of the tariffs. Additionally, DP&L shall submit a copy of the customer notice to the Commission's Service Monitoring and Enforcement Department prior to its distribution to customers. It is, further,

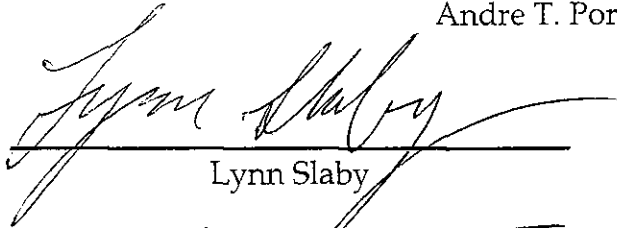

ORDERED, That nothing in this Finding and Order shall be binding upon this Commission in any future proceeding or investigation involving the justness or reasonableness of any rate, charge, rule, or regulation. It is, further,

ORDERED, That a copy of this Finding and Order be served upon all parties of record.
