I am opposed to this pipeline going thru my neighborhood. Some of my objections are:

Environmental impact and quality of life. I bought this house one year ago for the mature trees and greenbelt. There will be Construction noise, ongoing noise, odor, leaks and no direct access to pipeline resulting in destroyed property.

If this pipeline is absolutely necessary, and I question that it is, then build it on a major thoroughfare instead of thru neighborhoods, backyards and schools.

Sincerely,

Anthony and Joan Boiano
