COMMENT DESCRIPTION:

I am strongly opposed to the plan to run a natural gas pipeline near the Park Hills Subdivision/Glendale Milford Road. This will certainly impact the neighbors living along Glendale Milford road because of the requirement for no trees within so many feet of this pipeline. It will also certainly detract from the property value of these neighbors and the subdivision as a whole. As I understand it, there is already a pipeline running north-south through Park Hills Subdivision. We do not need to be impacted by yet another pipeline that would destroy the tree-line landscape of Glendale Milford Road.
