Re: *Ohio Power Company*, Case Nos. 10-2929-EL-UNC, 11-346-EL-SSO, 11-348-EL-SSO, 11-349-EL-AAM, 11-350-EL-AAM, 14-1186-EL-RDR and 89-6007-EL-TRF

Dear Attorney Examiners:

Enclosed are Ohio Power Company's compliance tariffs, which are being filed in accordance with the Commission's Entry dated May 18, 2016 in the above-referenced proceedings. In accordance with the Entry, the Retail Stability Rider (RSR) tariff is being converted to collection subject to refund commencing with the first billing cycle of June 2016, pending the outcome of the remand proceedings before the Commission relating to Supreme Court decisions in Slip Opinion Nos. 2016-Ohio-1607 and 2016-Ohio-1608. Should a refund be ordered upon completion of the remand proceedings (which the Company does not anticipate), any refund would flow through the RSR and not back to individual customers. The Company will update its tariffs previously filed electronically with the Commission's Docketing Division.

Thank you for your attention to this matter.

Respectfully Submitted,

//s/ Steven T. Nourse
