I'm deeply concerned you are considering allowing Duke Energy to place a dangerous natural gas pipeline in my neighborhood (BlueWing Terrace) by my children's elementary school. Simply put, this is a disgrace to the citizens of Blue Ash and the entire Cincinnati community. The chance my child could be killed by a pipeline explosion while at school at Blue Ash Elementary causes me to lose sleep at night. While I've seen the propaganda from Duke Energy, I don't buy it for a second. Did you see the issue in PA only 1 month ago? This occurred in a rural area. Can you imagine if a pipeline malfunctioned in the middle of a populated area? At the end of the day, it sounds like the cronies behind this entire situation and ridden with corporate greed. When cold, heartless corporations make decisions, the little man suffers.

PLEASE STOP THIS INJUSTICE!

Best regards,

The Wyse Family
Blue Ash, OH
