Dear Ms. McNeal:

AEP Ohio Transmission Company, Inc., (AEP Ohio Transco) files this pre-application notification letter in accordance with Rule 4906-6-03(A) Ohio Administrative Code (O.A.C.). According to this provision, a prospective applicant must file a pre-application letter at least five days prior to the filing of an accelerated application requesting an expedited review.

This Project consists of rebuilding the Poston-Lick 138kV single-circuit transmission line, within the existing 100-foot wide right-of-way corridor, from the Poston Station in York Township, Athens County to structure 72 in Madison Township, Vinton County, and from structure 138 in Milton Township, Jackson County, to the Lick Station in Lick Township, Jackson County. The total length of the Project is approximately 22 miles.

The construction schedule for this Project will be further described in the Letter of Notification. AEP Ohio Transco anticipates construction to begin April 2016 and completed by June 2017.

Please be advised that pursuant to O.A.C. 4906-6-04, AEP Ohio Transco is requesting an expedited review of this Project.

Cordially,

/s/ Hector Garica
