COMMENT DESCRIPTION:

We are outraged over the Duke Energy gas pipeline project going through Amberley Village, OH. It is unthinkable and appalling that Duke Energy would even consider installing this pipeline in an existing residential area. This is not a NIMBY situation. It actually is criminal to place so many lives and property in danger with a 30 inch high pressure gas line similar to one that blew up in California last year. Especially given that DUKE does not have any experience with that kind of project and does not do a great job in maintaining existing systems. Your
