MEMORANDUM IN SUPPORT

On April 5, 2016, a complaint was filed in Case No. 16-718-GA-CSS against Constellation Gas Co. On May 12, 2016, Constellation Energy Services-Natural Gas, LLC filed its Answer, a motion to file out of time, and a motion for protective order. As explained in Item 21 of its Answer, Constellation made an offer to the Rashedis to settle the complaint. According to Constellation's records, a check was delivered the week of May 16 and was cashed and endorsed by both Mr. and Mrs. Rashedi on or about May 19, 2016.

Although not directly applicable to Constellation, Rule 4901-9-01(F) of the Ohio Administrative Code sets forth a process for dismissing a complaint case that has settled. If a motion has been made that the Complaint has been satisfied and the Complainant does not file a response disagreeing with that assertion within twenty days, the Commission may presume that satisfaction or settlement has occurred and may dismiss the complaint.

A copy of this motion is being served upon the Complainants via U.S. First Class Mail. Constellation requests that the Commission dismiss this Complaint by June 29 if it does not receive any contrary statement from the Complainant by June 22, 2016.

WHEREFORE, the Respondent requests that this Complaint and any settlement conference subsequently scheduled be dismissed and cancelled on the grounds that the Complaint has been settled.

Respectfully submitted,

Stephen M. Howard
