COMMENTS: I am writing to plead for the high-pressure pipeline NOT to come near my home in Amberley Village in Hamilton County.

I gave up my beloved home in 2010 and moved to a ranch style house in Amberley Village because I have MS and cannot do stairs any more. Since I moved, my MS has worsened and I cannot possibly move again. I did a lot of research before committing to this house. I would NOT have bought near this pipeline had it existed in 2010. The pipeline worries me terribly; I doubt that Duke cares at all about my welfare.

Also, the route through my neighborhood will remove some of the old-growth trees that Amberley residents are trying to conserve. We are losing our woods and we should not speed up the process.

Subject: pipeline through Blue Ash and Amberley

Please do not damage my neighborhood with this pipeline. It terrifies me, but i am disabled and moving would be almost impossible. Blue Ash and Amberley are beautiful places with valuable greenspace and should not be ruined.

I don't know how I will deal with the knowledge that this pipeline is near my house. It is horrifying.
