Subject: Central Corridor Pipeline

To whom it may concern:

I am writing concerning the proposed Central Corridor Pipeline through Hamilton County, Ohio. I am unable to attend the open house, but I am greatly concerned about the proposed "Pink Route". When comparing this line to the proposed "Green Route", there is one important difference. The Pink route would cut through neighborhoods, parks, and golf courses where the Green route would cut through industrial areas. Specifically I do not want to see residential properties being destroyed and a risky pipeline being installed in the Pleasant Ridge and Amberley areas of our region. I am therefore strongly against the Pink Route of the proposed natural gas pipeline.

Thank you,
