NOTICE OF CHANGE (ROUTE SHIFTS) OF MAJOR UTILITY FACILITY

Generation Pipeline LLC is constructing a 22-mile long 24-inch diameter natural gas pipeline in Lucas and Wood Counties which will provide natural gas from Maumee to Oregon for the operation of a new electric generation facility, the Oregon Clean Energy Center. The name of this pipeline project is the Oregon Lateral and the route will enable the Oregon Lateral to provide natural gas to the Oregon Clean Energy Center.

Generation Pipeline LLC recently filed a Letter of Notification with the Ohio Power Siting Board which is now pending in Case No. 16-1095-GA-BLN. The Letter of Notification seeks approval of route changes to two sections of the Oregon Lateral in Wood County.

One of the changes consists of shifting the center of the corridor to the western perimeter of a property in Perrysburg Township. This route change involves three Wood County, Perrysburg Township parcels, all owned by the same owner of property on which the pipeline route is currently approved.

The second route change consists of shifting a section of the pipeline corridor 215 feet to the north on seven Wood County parcels located in the City of Northwood. The pipeline is currently approved for installation on these seven parcels and the new location will remain on these parcels.

The following public officials and agencies have been served with copies of the Letter of Notification Application as required by the Ohio Power Siting Board's rules:

Wood County Commissioners: Craig LaHote, Doris Herringshaw and Joel Kuhlman;

Mr. Dave Steiner and Ms. Katie Baltz of the Wood County Planning Commission;

Mayor Edward Schimmel of Northwood, Ohio; and

Perrysburg Township Trustees: Gary Britten, Robert Mack and Joseph Schaller and Fiscal Officer Shirley Haar.

A copy of the Letter of Notification is available for public inspection at the offices of the Ohio Power Siting Board, 180 E. Broad St., Columbus, Ohio 43215-3793, www.puco.ohio.gov and 614-466-4095 and on Generation Pipeline's website at www.somersetgas.com. A copy of the Letter of Notification has also been sent to the Toledo-Lucas County Public Library, Oregon Branch, 3340 Dustin Road, Oregon, Ohio 43616; the Toledo-Lucas County Public Library, Maumee Branch, 501 River Road, Maumee, Ohio 43537; the Rossford Public Library, 720 Dixie Highway, Rossford, Ohio 43630; the Way Public Library, 101 E. Indian Avenue, Perrysburg, Ohio 43551; and the Wood County District Public Library, Walbridge Branch, 108 N. Main Street, Walbridge, Ohio 43465.

Motions to intervene and comments must be filed with the Board within 10 days following publication of this notice. Motions and comments should be addressed to the Docketing Division, the Ohio Power Siting Board, 180 E. Broad Street, 11th Floor, Columbus, Ohio 43215-3793, and cite Case No. 16-1095-GA-BLN.

The map displays the Toledo, Oregon area. Key features include:

- TOLEDO**: Labeled at the top center.
- OREGON**: Labeled on the right side, indicating the state boundary.
- MAUMEE**: Labeled on the left side.
- Route Change #1**: Indicated by a line pointing to a specific location in the lower-left quadrant.
- Route Change #2**: Indicated by a line pointing to a specific location in the upper-right quadrant.
- Proposed Pipeline**: Indicated by a line pointing to a specific location in the lower-right quadrant.
- Compass Rose**: Located in the bottom right corner, showing North (N), South (S), East (E), and West (W).
