Dear Sirs:

our family lives in Blue Ash just off Plainfield Rd. The proposed pipeline project by Duke Energy will come very close to our house as well as the Blue Ash Elementary School, UC Blue Ash and other populated areas in Blue Ash. We oppose the pipeline project in our area because of dangers such as gas leaks as well as the disruption of roads etc during construction. Please reconsider this proposal and reject it.

Thank you

Sincerely,

Harold B. Spitz, M.D.
