SITING BOARD

IT USE TO BE I WORRIED ABOUT AIR TRAFFIC COMING DOWN ON ME WHILE FLYING OVER ITI AND ME, ON THE WAY TO KENTUCKY AIR PORT.

NOW WITH THE POSSIBILITY OF AN EXPLOSION OF THE GAS PIPE LINE, I HAVE A NEW CONCERN.

AT AGE 94, A 50+ HOMEOWNER, CAN YOU ELIMINATE THIS WORRY?

WHEN ITI WAS BUILT, THE CENTER LINE OF SAME WAS CHANGED 3 TIMES. THE LAST TIME ROSEMARY LANE (MY STREET) WAS CUT OFF FROM EXITING ON TO KENWOOD RD. OUR ONLY WAY OUT, IS THRU ST REGIS DR TO KEN ARBRE. WE ONLY HAVE PAVED STREET 2 LANES WIDE. MY HUSBAND, AGE 90, HAD A STROKE & REQUIRED AMBULANCE HELP 2 TIMES. I HAVE HAD AN AMBULANCE 2 TIMES I HAVE HAD THE FIRE DEPT 1 TIME WE HAVE A BIG YELLOW SCHOOL BUS 2X A DAY WHEN SCHOOL IS IN SESSION.

AFTER READING THIS, WHAT WILL CONSTRUCTION OF A 30" PIPE (TRUCKS & EARTH MOVERS) DO TO THIS ON A 2 LANE WIDE STREET?

PLEASE NO PIPE LINE IN MY NEIGHBOOD! WE HAVE BEAUTIFUL TREES, DEER WILD LIFE, ETC PLUS OTHER,

AND MANAS
