Subject: OPSB case #16-0253-GA-BTX

To Whom It May Concern:

I am writing with deep concern for the above mentioned case. The lack of information and dialogue about the positioning of such an installation is of equal concern.

As a Blue Ash resident I am writing to inform you of my opposition to this action and ask that it be stopped and reconsidered. There are just too many differing statements regarding the need at this time for this particular pipeline.

Thanks for your consideration. Please keep me advised of this case.
