COMPLAINT DESCRIPTION:

We have been informed concerning an application for a rate increase by Aqua Ohio applying for a 9.2%. We the 370 members of the Lake Seneca Property Owners Association wish to lodge a formal complaint to this increase. We have recent increases in back to back years and find subsequent increases each and every year to be in excess. We do not dispute the reasoning for the increase however feel that we are paying for improvements to others systems and not receiving any improvements to our system. Reference to the Ohio Senate Bill 44 which created the System Improvemrnt Charge and the amendment House Bill 379 effective March 27, 2013 limits increase to 4.25% per year. and to Aqua water yearly report which reports good profits and ROI to stock holders. Please investigate these increases and inform us to the validity of any increase request. Respectfully Richard Stout President, Bd. of Trustees L.S.P.O.A (Seneca)
