Hi,

I am writing to you to encourage you to please support NOPE Cincy and help stop this dangerous pipeline from going through our neighborhoods. I live in Blue Ash with my husband and four year old daughter and think its the best place in the world to live for us and for kids. However, if this pipe initiative goes through, there will always be a constant "what if?" worry in our once peaceful neighborhoods. It feels like it would be like living next to a volcano. It may never erupt and all is well be fine, but if it does, it can and will cause immense destruction.

Thank you for your support,
Mandy Duff
