Subject: Case # 16-0253-GA-BTX

To whom it may concern:

I am writing regarding my fear and frustration about the proposed central corridor pipeline. 2 of my daughters attend Pleasant Ridge Montessori near Montgomery road in Pleasant Ridge. My 3rd daughter will also attend there. My wife works there.

This was a previously "failing" school that is now winning academic awards, and has become a thriving neighborhood school with its own community supported educational garden. The school is diverse in racial and socioeconomic makeup, a safe place for many children who have harder lives at home.

As I understand it, the pipeline will pass within 100s of feet of the school, putting the school cleanly in a blast zone should one occur.

Please do not allow this pipeline to put the lives of 100s of children -- including my own -- at risk on a daily basis. And please do not put the growth of a unique school at risk.

Sincerely,
Jonathan LaBare
