Subject: Pipeline in Amberley Village/Golf Manor case #16-0253-GA-BTX.

As a resident of Amberley Village I strongly object to the building of a high pressure gas line running through a residential neighborhood. The pipeline poses a threat to our families lives. The proposed route runs alongside schools and homes. This is a disaster waiting to happen.

A pipeline of this capacity should not be built in ANY residential neighborhood. Human life is more valuable than cost efficiency.
