Subject: Ohio renewal application 12-1939-EL-AGG

Mr. Lyons – I have been assigned to review the A and B exhibits of this application here at the Public Utilities Commission of Ohio. Someone else may contact you with questions or comments about your C exhibits. During review I have noted some issues that need to be addressed in order to bring this application into compliance with Ohio laws.

1. A-6 on the application needs to include a telephone number. Even if (for aggregators/brokers) it is not a toll free number.
2. Exhibit A-9 is not included with the application. Submit A-9 please.

Please correct these items and file the updated information along with a cover letter stating that you are making a revision in case no. **12-1939-EL-AGG** by **June 22, 2016**. Again, keep in mind that you may receive a separate request for information from the staff member reviewing your financial exhibits and that person may give you a different deadline for those requirements. If you have any questions, please feel free to contact me.
