Please describe your complaint. (Attach additional sheets if necessary)

Back in 2014 I was asked by the company I worked for (Goldberg Investments Group) to call the Illuminating company & setup their Electric Account. I did so with the business Tax ID #, However the Illuminating company used my personal info. to Setup the account for the company I worked for. I have tried over & over to have the account Removed from my personal name however the Illuminating company Refused. They also take a deposit from the company that I worked for, promising to transfer the account to their name, however they still Refused even after taking a \$700+ deposit. I need the above account Removed From my personal name since I never agreed to it being placed in my name. At the end of the day I was just an employee who gave the Illuminating Co. All the Info. they needed to place the Account properly into the company name under its own Tax ID#. please Feel Free to call me.
