To Whom It May Concern,

I have significant concerns regarding Duke's Proposed Natural Gas Pipeline Routes. As a resident of the area I do not want my families safety to be at risk. After reading the literature and understanding the process I have significant concerns. I beg you not to put residents of Cincinnati in grave danger. I strongly urge the Ohio Power Sitting Board, Public Utilities Commission of Ohio, and Duke Energy to reevaluate the Central Corridor Gas Pipeline Extension Project.

Sincerely,  
Bridget Kikta
